

Extension of the Consultation Period for Directory Services

The Office of the Telecommunications Authority (OFTA) announced today (5 January 2010) that the period to respond to the consultation paper issued on 6 November 2009 on “Directory Services” has been extended.

All submissions should be made to OFTA on or before 19 January 2010 instead of the original deadline of 5 January 2010 indicated in the consultation paper.

The extension has been made in response to requests from the industry.
