

Introduction:

With the introduction of Bilingual Amateur Radio Exam by OFTA, we have noticed a surge of licensed Hams during the recent years. An organization is therefore urgently needed to share our common interests and joy of this noble hobby. Thanks to the help of a few old men and novices as volunteers, this not-for-profit organization was formed.

Official name:

Hong Kong Amateur Radio Association (HKARA)

Established since 20TH August 2000

Logo :

Mail address : G.P.O. Box 2029 Hong Kong

Objective:

Introduction of Amateur Radio to people who show interest in  
Radio communication, better ourselves in practice and technology,  
Participate in related activities among Ham world and contribute to society as  
volunteers by providing radio communication links where necessary or needed.

We constantly work with OFTA, IARU, affiliated international  
Ham societies and other local ham groups to introduce and promote  
Amateur radio by providing radio equipments and organizing activities  
so interested public can have hands-on experiences.

We welcome each and everyone of you to participate and share the  
joy with us.
