TELECOMMUNICATIONS ORDINANCE
(Chapter 106)

SERVICES-BASED OPERATOR LICENCE

DIRECTION
(Special Condition 20)

To : **Telefonica International Wholesale Services SL**
Date : **17 December 2009**

1. Pursuant to Special Condition 20 of the Services-Based Operator Licence granted to Telefonica International Wholesale Services SL on 17 December 2009, the Telecommunications Authority hereby directs the Licensee, until further notice is given in writing,

- (a) to facilitate the portability of numbers from the numbering plan of Hong Kong as stipulated in Special Condition 2.1 for customers of internal fixed telecommunications services for carrying real-time voice communications (which may be integrated with other types of communications) which are interconnected with systems and services under fixed telecommunications network services licences or fixed carrier licences or unified carrier licences (with provision of fixed services authorized) and licensed under services-based operator licences, or for customers of fixed telecommunications network services licensed under the fixed telecommunications network services licences or fixed carrier licences or unified carrier licences (with provision of fixed services authorized) in Hong Kong (“Operator Number Portability”) so that HKTA 2102 entitled “Procedures for Handling Number Porting by Database Solution” issued by the Telecommunications Authority and as revised from time to time by the Telecommunications Authority can be fully complied with on and after the launch of the service;

(b) to facilitate the portability of numbers from the numbering plan of Hong Kong as stipulated in Special Condition 2.1 for customers of internal mobile telecommunications services for carrying real-time voice communications (which may be integrated with other types of communications) which are interconnected with systems and services under mobile carrier licence or unified carrier licences (with provision of mobile services authorized) and licensed under services-based operator licences, or for customers of mobile carrier licences or mobile virtual network operators services licensed under public non-exclusive telecommunications service licences or services-based operator licences or unified carrier licences (with provision of mobile services authorized) in Hong Kong (“Mobile Number Portability”) so that the Code of Practice entitled “Code of Practice related to the Implementation of Mobile Number Portability” issued by the Telecommunications Authority and as revised from time to time by the Telecommunications Authority can be fully complied with on and after the launch of the service.

2. Notwithstanding paragraph 1(a), where the Licensee provides a “Class 1 service”, nothing in this Direction requires the Licensee:

- (a) to enable the number assigned by the Licensee to the customer, to be used by that customer for a “Class 2 service” provided by any other “Class 2 service” provider should that customer cease to be a customer of the Licensee; or
- (b) to enable the number assigned to a customer of any other “Class 2 service” provider, to be used by that customer for the service provided by the Licensee.

3. Notwithstanding paragraph 1(a), where the Licensee provides a “Class 2 service”, nothing in this Direction requires the Licensee:

- (a) to enable the number assigned by the Licensee to the customer for such service, to be used by that customer for a service provided by any other licensee should that customer cease to be a customer of

the Licensee; or

- (b) to enable the number assigned to a customer of any other licensee to be used by that customer for such service provided by the Licensee.
